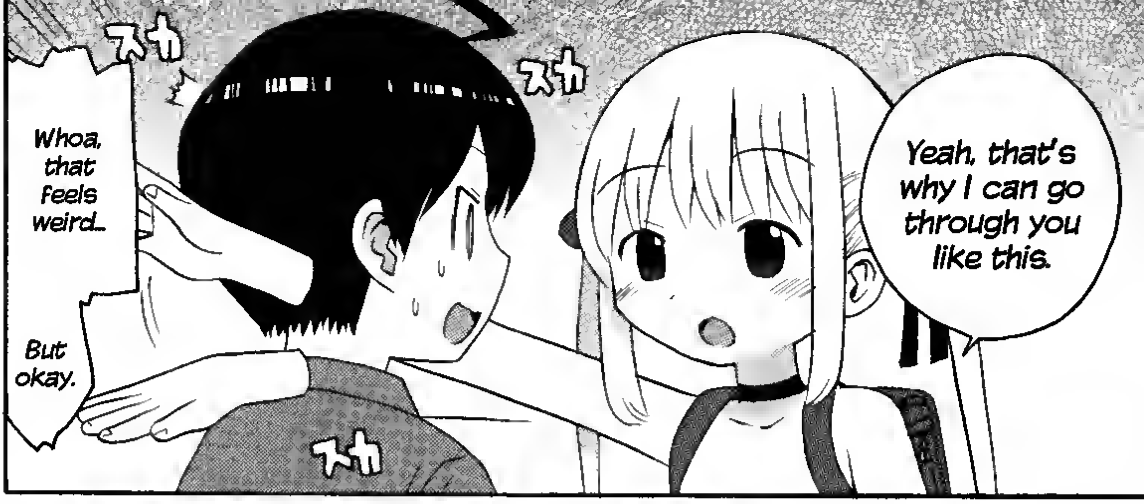
One day, when I came home from school,
Time to play some video games!
there was a naked girl I'd never seen before sleeping in my bed.
Zzz...
Zzz...

Vol. 1: A Ghost Girl Appears!?

Ahh
--
--
Yawn.

It's almost like he's looking at me...
Huh?
But no one can see me so I must be imagining things.
You're a ghost?
Uh?
What!? You can see me!?
Ahhh! There's some kind of crazy exhibitionist in my room!

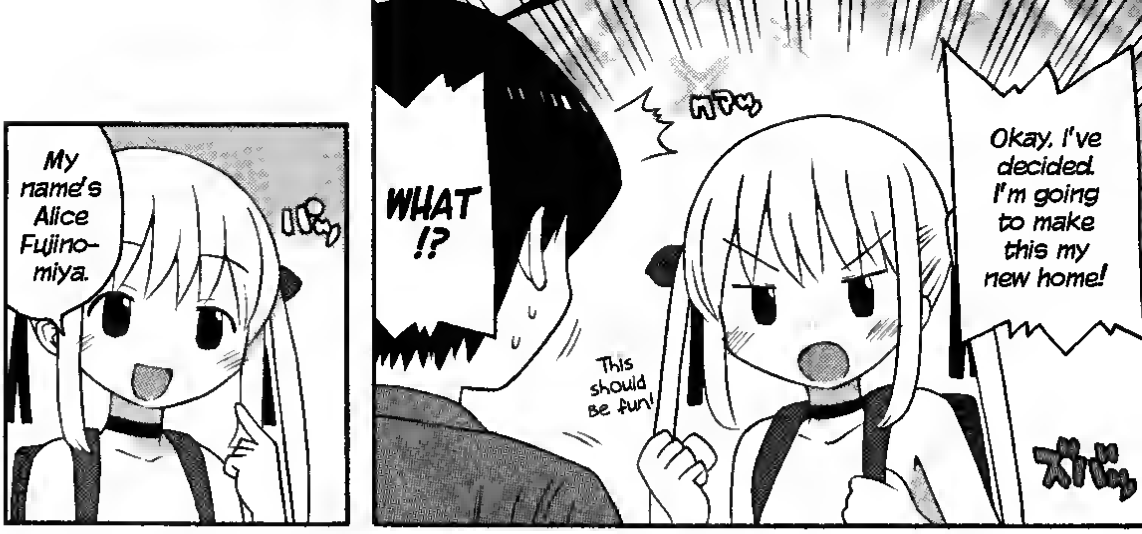


スカ
スカ
Whoa, that feels weird...
But okay.
スカ
Yeah, that's why I can go through you like this.

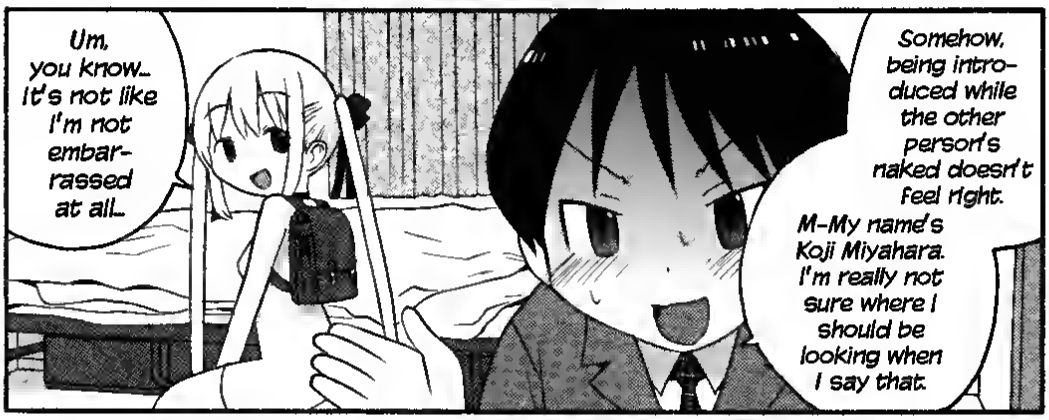
Koji? Is there someone here?
I thought I heard you talking...
ガちゃっ
Uh, yeah, but why are you naked...?
I'm glad I finally met someone who can see me.

S-S-S-Sorry, I didn't mean to interrupt!
WHAT!?
ばっ
ばたん!

Hello, police? My brother's out of control so if at all possible could you come and shoot him...
Wait. Kana, it's not what you think!
Uhhh, we may have bigger problems than that.
Someone else could see me!? How!?
...What the? Wasn't there a naked girl there a second ago?
There's no one there now...
I think I get it.
For some reason, other people can only see me when you're close enough.
Huh? What's going on...?
That's weird. Was I seeing things?



My name's Alice Fujino-miya.
WHAT !?
This should be fun!
Okay, I've decided. I'm going to make this my new home!



Um, you know... It's not like I'm not embar-rassed at all...
Somehow, being intro-duced while the other person's naked doesn't feel right.
M-My name's Koji Miyahara. I'm really not sure where I should be looking when I say that.

I think memories of my past life affect what I look like right now.
I think I might know how to get some clothes though.
I'm glad I found someone to talk to, but I'm still shy about being seen naked.

And these were my favorite socks.
I remember I kept asking my mom for it and she finally got it for me. I liked it a lot so I remember it really well.
Like this bag.
I... see.
The point is, since I'm a ghost, I think if I picture something clearly, I can make it exist.
Both of them are things that I remember clearly.
Ahh, when you do that I feel like I'm gonna barf!
I don't mind if you look a little so face me when you're talking to me!

...Uh... So what did you want in my sister's room?
Hehehe. She looks like she's about my age.
so I thought maybe I could find some clothes I could picture in my head to wear.
I don't think we can.
My sister doesn't like me going into her room, so when she's not here she locks the door, see?
Hmm, well.
That's not a problem! I have something we can use!
Portal chalk!
ZIIP——

Where... Where did you get that...?
This chalk lets you get through even the toughest locks.
Imagination is a powerful thing!
I pictured it in my head!
...Sure, I guess.
I can't pull out heavy drawers, so will you get out some clothes for me?
I went through the door!!
Whoa, it really works.

Wow!
It's better than you staying naked...
I don't want any more weird misunderstandings like earlier.
A sailor uniform! My school didn't have uniforms.
I've always wanted to wear one of these...
Huh? What are you doing in my room?
N... No! I just wanted to help you so I thought...!
Hey!
You're into that kinda stuff, huh?

AHHH!
All right, time to picture it in my head!
Y-Y-Y- You're a pervert! Get out of my room!
There we go!
Uh, I can still see your down-stairs...
I need practice remembering the whole outfit at once...
Err... Again, I think we have bigger problems...

Nnngh, why me...?
Wahh! Kana hates me!
We're never gonna get along for the rest of our lives!
Uh... Am I just getting in the way here?
Yes, you definitely are...

I've never found anyone else who'd talk to me, so I was just having fun.
I'm sorry. I didn't mean to cause you so much trouble.

So... I'll leave!
ヒュッ
Wha !?
But I don't want you to hate me...
ふぁ
W... Wait, Alice!
You don't have to leave...!
ばっ
...If you're really okay with it,
then maybe I will stay here, but just for a little while...
...Really?
ぴくん

フラリ..
Wuh.
Uh.
!
ガラッ

Huh?
WAH!

N...
NO!
WHA
!?

AH!

Hey Koji, I wanted to talk to you about...

Maybe he's just really stressed or something.
I... probably shouldn't have yelled at him like that.
I'll just ask him what's up.

If you want to know what happened,
Now that your sister refuses to talk to you,
I guess you'd be pretty lonely without me, huh?
Your hand just went through me, so it wasn't a big deal or anything.
Uh... And whose fault is that?
let's just say she ended up staying.

Yawwn
...
WHAT!? IT'S ALMOST 8:40!?
OH NO!
I'M GONNA BE LATE!
...Wait. I'm a ghost. I don't have to worry about that.
A ghost named Alice Fujinomiya has been living in my room since yesterday.
A ghost who sleeps at night and wakes up in the morning...?

Vol. 2: Her Rival Is a Princess!?

WAH!?
'Morning, Kana.
I'm glad you're willing to talk to me again.
Oh, Koji.
Uggh... I feel sluggish today.
What!? Why!?
Am I really that worn out!?
You look terrible!
Have you looked in the mirror!?
Maybe she's been sucking out my life essence this whole time...!
I... I wonder if it's because of her.
You really don't look good. Are you okay?
I didn't sleep so well last night so maybe that's why.

Anyway, do you know why you turned into a ghost? Is there something in this world that you're attached to?
Uhh, I don't know.
I don't remember my life that much.
It's still weird to think that I'm talking to a ghost. But I couldn't do this to a normal person, so I can see you're not lying.
You probably want to find some way to be able to rest in peace, I bet.
Maybe we can think of something on the way to school.
Wha? I didn't notice this text message...
Are you Koji Miyahara? Come with us.
Wahhh, why!? Who are you people!?
HUH ?
WHAT !?

is my Koji radar!
Did he just get kid-napped!?
What I need now...
YOU'RE LATE!!
You're late. You're late!
VIP室
Use-less.

S... SUWAMI! I THOUGHT THEY WERE GONNA KILL ME!!
I always tell you, you have to come right away when I send you a text message.
I had no choice but to use these employees from Daddy's company.

Excuse me?
I was talking to a ghost so I didn't notice your message right away.

Yes, madam.
You may leave now.
I'm the richest girl in school, so making me wait is inexcusable.

So you had me kidnapped for nothing again!?
Oh, while you're here, go get me some candy.
Nothing in particular. I just wanted you here.

What did you want me for this time?
Never mind. I didn't think you'd believe that anyway.
Oh. Well.

Why's Koji your pet?
He wanted to be.

You're not complaining, are you? You're my pet, so I can do whatever I want with you.
Urk... I think this counts as bullying.

HE CAN'T HIDE ANY-THING FROM ME!!
IT'S ALL HERE!!
THE LOVE LETTER KOJI GAVE ME WHEN WE WERE 6TH-YEARS IN ELEMENTARY SCHOOL!!

You really gave me a scare though.
I thought he was in trouble so I ran all the way here.

"I love you. My dream is to be your pet. I want to be your pet and lick you all over. Lick you all night long..."
Wh... What kind of freak wrote this!?
Wahhh, don't read it out loud!
Koji did. I granted his wish and made him my pet.

...Wait.
NO, I NEED AN EXPLANATION OF WHO YOU ARE FIRST!
So Koji, who is this weird person who drinks tea at school in the morning?

...
Did you really write that letter, Koji?

How dare you call me weird! Where did you come from?
Wow! When I'm close to Koji other people really can see me!

And on top of that, I put it in the wrong shoe box...!!
But the next day I overslept so I didn't have time to reread it...!

Heh heh heh. I put all my heart into writing it late one night, and at the time I thought it was my magnum opus.

Oh please, there's no need to be so shy.
Well, it was kind of your fault...
Ever since then, whenever I've done something she doesn't like, she's threatened to show the letter to everybody...!
I know you always meant to give that letter to me.
After all, I'm Reina Suwami.
I'M ADORABLE AND RICH AND I'M PRACTIC-ALLY A PRINCESS,
SO NATURALLY EVERY BOY WANTS TO GO OUT WITH ME,
BUT EVERY-ONE KNOWS THAT ALREADY !!

I'll let you lick my foot as a reward.
But it was very passionate.
Koji's love letter was the first one I got.
Actually, maybe that's going a little far.
What!?
I'll kindly ask you to stay away from my pet unless I give you permission.
Anyway, I don't know who you are, but now you know the whole story.
What was that!?
You can't make me leave him!
No way! I'm a ghost and I'm bound to Koji!

So I wouldn't be able to see her normally?
Actually, she showed up yesterday and, well... (Cut for length)

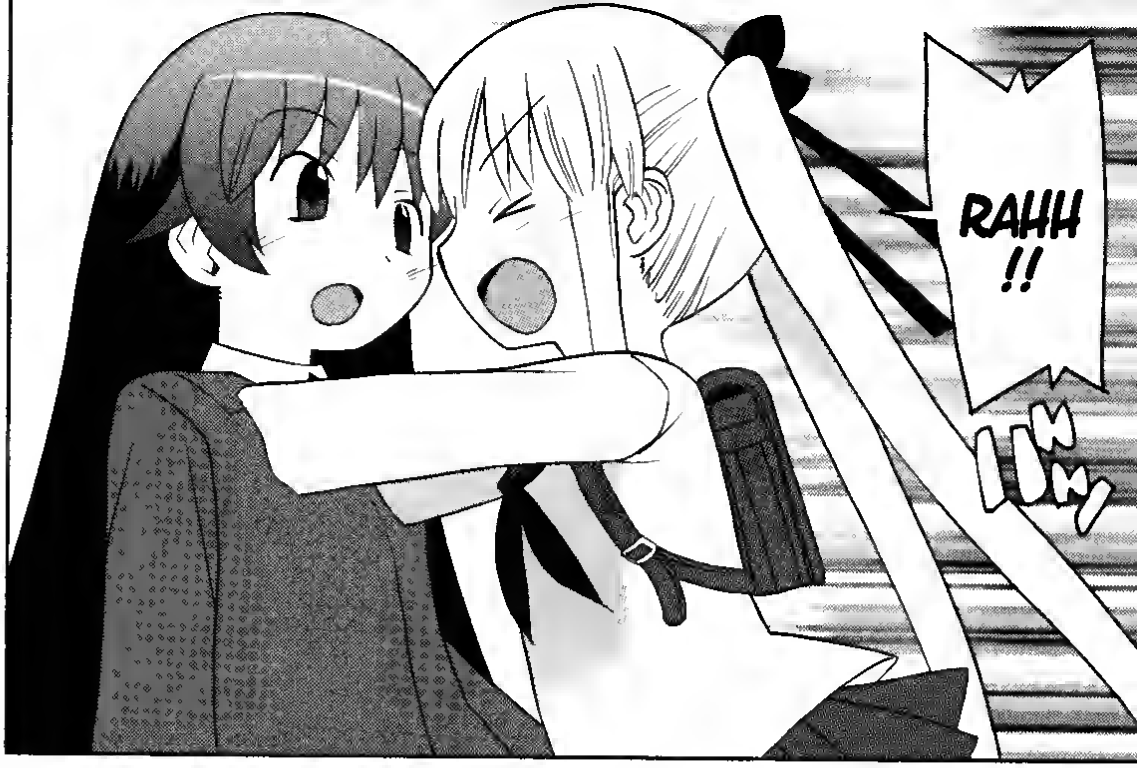
Uhhh.
Is this some kind of elaborate joke?
You mentioned something about a ghost too, Koji...

We have some at my house too. Daddy uses them in his conference room.
You're obviously using a 3D projector.
スゥ スゥ!
Look, it's true!

Impossible. But fine, show me. It might be good for a laugh.
Now I'm mad! I'll prove it to you!!

There's no such thing as ghosts, you dunderheads!
スパーン!
We're in middle school already, so you can't expect me to fall for something so stupid.
ヒュー

Wh... What are you gonna do, Alice!?
I think I have an idea... I've only done it once before, but it should work.
If she can convince you then you have to give me that letter!
...Hey!
Koji!? I thought you were on my side!
You're my pet! You aren't going to defend your master!?
I'll finally be free from her horrors!
Give it all you've got, Alice!
How could this happen?
You jerk!! You've been cheating on me!!
But fine. Do your worst.
If you can't convince me, then you have to apologize.
All right then, here goes.



RAHH !!

.....

スポン!
Wah.

...Huh? Why's there a second me?
What!? I thought I...

Wh... What the? That felt sort of weird.
but you didn't really do anything, did you?
キョトン

...
...
!!
プルン!
WHAT
!?
スリ
As you can see, I removed your spirit and possessed your body.
Whew... I guess it worked.
Wahh! Why am I naked !?

This can't be happening!
Did you hypnotize me!? There has to be a trick somewhere!
See? Now you're a ghost without a body.
And I can do this.
Hey... Move...
Wah!
I'm kind of freaking out here, so I think I'm losing my balance...
Hey, that's my head!
Ow, I hit my head!
I haven't been in a physical body for a long time so I don't remember how to control it...
WAHH!
ガばっ

Naked Suwami...
Image saved in my brain!!
Ahhh, don't look! Go away!
Okay, I'll stop looking if you believe us...
Hey, don't take pictures of me with your phone!
Fine, I'll believe you...
Now get me back to normal!
Hurray!
.....
This is much more fun than resting in peace.
I'm glad you can see me, Koji.
I'm not sure that's a good thing, but whatever.
You're not a scary ghost, so I don't mind.
Urrgh...
There is one problem though...
I hunger, and I don't think I can hold back any longer...

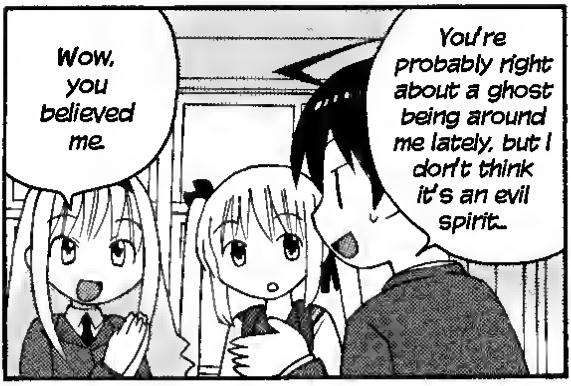
Curses! I won't forget this!
HUH !?
LIFE ESSENCE... I NEED FRESH LIFE ESSENCE...
SOMEONE... GIVE ME YOUR ESSENCE...
Mm?
Maybe she is a little scary, actually.
.....
.....
AGAHH!

My name is Koji Miya-hara.
Hey, Koji.
A few days ago this ghost named Alice Fujinomiya appeared, and now she lives in my room.
What do you want to do today?
I dunno --
...I can feel it!
I SENSE A WANDERING SPIRIT NEARBY!!
Vol. 3: An Exorcist Appears!

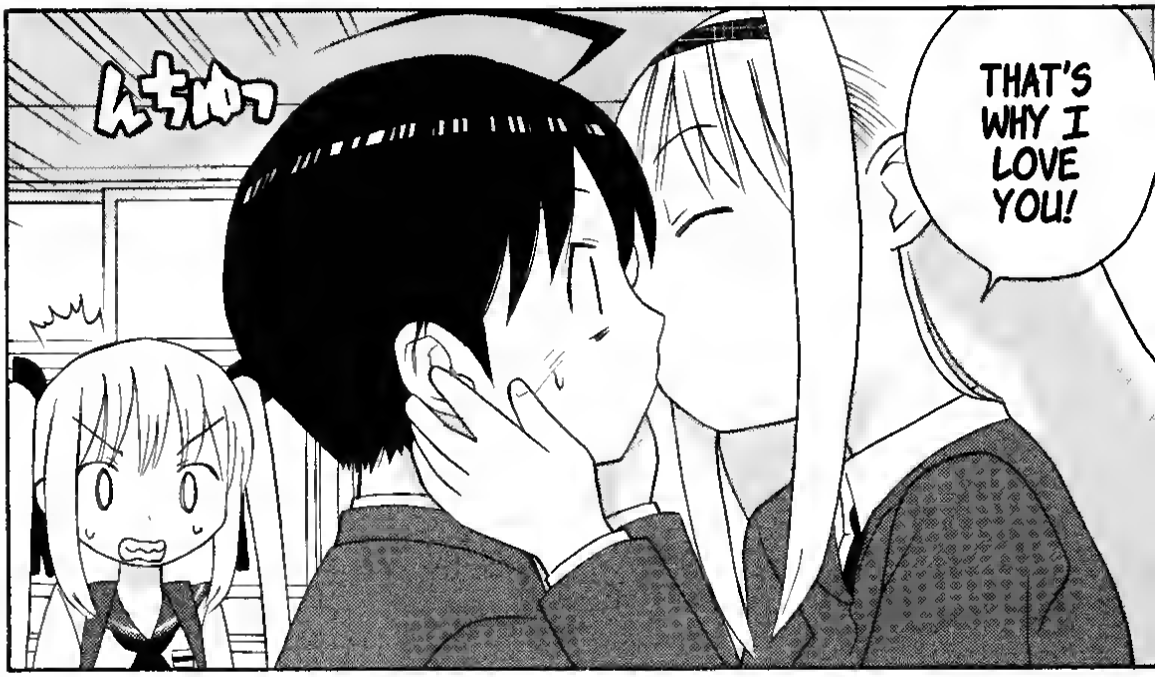
I sense something most unusual.
Uh... Yes?
Hashi-moto !?
Is that you, Miya-hara?
You're being haunted by an evil spirit, aren't you!?
Miya-hara.
And lately you've looked very tired every day...
Am I the evil spirit she's talking about?
Uhh.
YOU DON'T HAVE ANYTHING TO WORRY ABOUT! I'M HERE FOR YOU!!
スパッ

She's my classmate, Marcia Hashimoto. I think she's only half Japanese, so that's why she has blond hair.
Who's this blond girl?
Can she see me too!?
SHE CALLED ME EVIL AGAIN! ARGH!!
No evil spirit can get away from me!
I guess she can't see me.
Who are you talking to, Miya-hara?
Calm down, Hashi-moto.
He's taught me all the tricks of the trade, so I'm an expert when it comes to dispelling evil spirits!!
My dad is a world-famous exorcist!
HEY!! THAT'S NOT NICE!!!

You're the only one who takes me seriously.
Everyone always thinks I'm weird when I talk about this kind of stuff.



Wow, you believed me.
You're probably right about a ghost being around me lately, but I don't think it's an evil spirit...



んちゅっ
THAT'S WHY I LOVE YOU!

I have something my dad gave me just yesterday.
パカ!

But don't worry about a thing!
GRRR
...
ムギギッ

Ghost glasses!
Apparently you can see ghosts if you put these on.
Let me see.
スポン!

How did they work? Did you see anything?
I... I think these things let you see the spirits of living people too...
Whoa! Wh... What!?
I... I'm not so sure these are working properly!
Let me keep them on!! I'm sure I'll find out if they work or not if I have more time!!!
I haven't tried them yet, so I think I'd like to try them now...
Wah! I dropped it on my foot!
That hurt!
If you find a ghost, we can use this hyper ghost catcher to capture it...
Sh... Shut up!
What are you talking about? You can see me even without those things!

OUCH.
Ah, Miyahara, your nose is bleeding...!
We should get you to the nurse!
Ow, I skinned my knee during PE.
I need to get some disinfectant from the nurse.
...Wha!? Koji!?

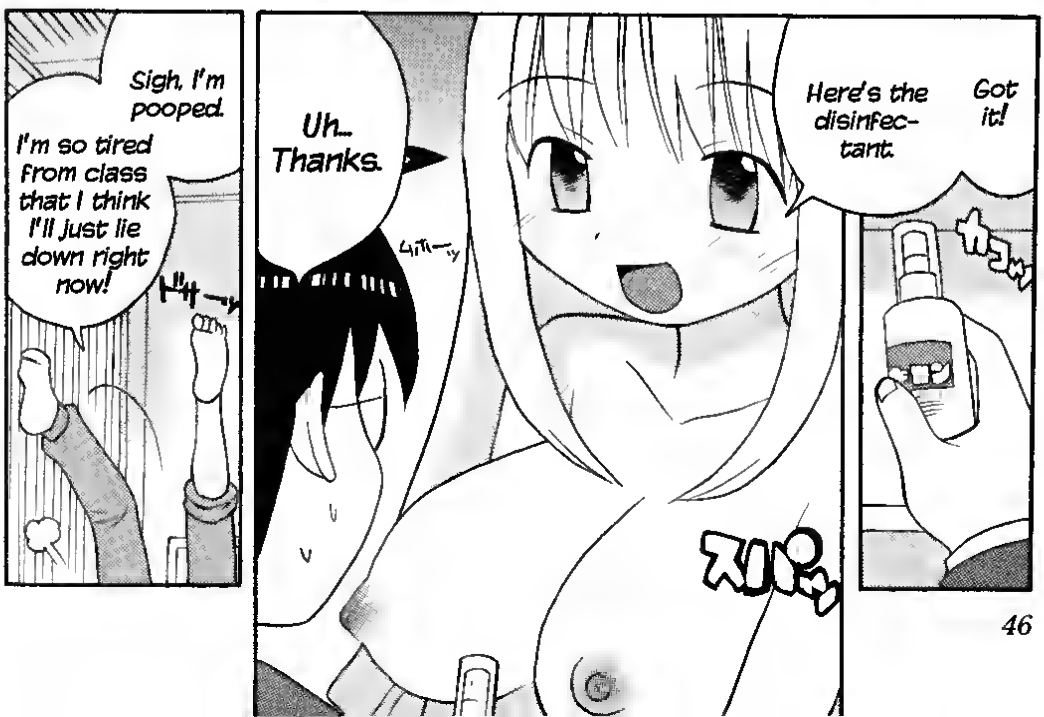
...Wait, I don't need to worry about that.
H... He saw me naked yesterday, so it feels weird seeing him again today.
I guess the blood's stopped.
That doesn't matter at all.
Who cares if my pet sees me naked!
Whoa, Suwami!
Did you get hurt or something too?
Fancy meeting you here, Koji.
Huh? The nurse isn't here.

What happened to that ghost from yesterday anyway?
Ghost!? Suwami, you saw a ghost!?
I sense a spirit as well.
I'm having Miyahara help me find it with these glass that can see ghosts.
Oh, I didn't see you there, Marcia.
There's nothing to look for really... She's behind Koji.
Wha?
Uhhh... No!?
You don't need those glasses to see her anyway, do you?
Ahem, cough, cough!! My throat!!!
As long as Koji's nearby, nope.
Shut up, shut up!!
OUCH!

I CAN'T LET THESE THINGS GO TO WASTE!!!
WHAT'S THAT MEAN!?
Who are you talking to now?
Is Hashimoto just stupid or something?
It doesn't matter. I need some help though.
I skinned my knee.
As my pet, you should apply the disinfectant.
Here.

Are you listening?
Are you blind? Do you see it now!? I need disinfectant!
There it is. It's behind Miyahara.
Just gotta grab it.
The disinfectant is, uh...
Oh no! She's hurt.
Whoa! I... I can see it all!
Uh, good.

There we go.
Sorry, Miya-hara.



Got it!
Here's the disinfec-tant.
Uh... Thanks.
Sigh, I'm pooped.
I'm so tired from class that I think I'll just lie down right now!

C'MOOON. GIVE IT TO ME!
JUST PUT THE DISINFEC- TANT ON ALREADY.
ガばっ

Hm... Uh. What was I doing again? Disinfec- tant.
Yes, yes.

You're my pet, so do as you're told.
R-Right, coming right up!

Inside of what? I don't mind showing my leg a little bit.
Wh-Whoa, I can see the inside of it...!

...Ngh!
For some reason, being touched by Koji...
is making my heart pound really hard...
It's cold but it feels good.
C'MON.
GIVE ME MORE.

WAHH!
GRRRR! NO FLIRTING WITH OTHER GIRLS !!!
W... Whoa.
so everyone else just go away.
I'm bound to Koji.
I'm not an evil spirit. I'm just a normal ghost.
Whoa, a girl appeared out of thin air.
OHHH ...
Y... You're scaring me! What do you want with me!?
IN-CRED-IBLE!!
YOU'RE REAL! A REAL GHOST!!

Huh?
WILL YOU BE MY FRIEND !?!?!
Still
Whew... That was close.
WAHH!
Wow, this is the first time I've seen a real ghost!! It's so inspiring!!
Please, let me live... AAGGH!
Ahh! No, wait...
So what are these glasses anyway?
I don't want anyone to find out what these glasses do.
I lost control of myself for a second there.
I better hide them while everyone's distracted.

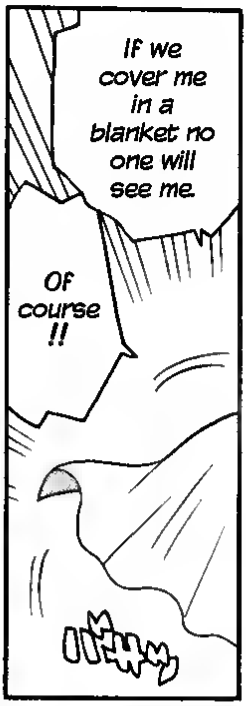
My name is Koji Miya-hara.
A ghost named Alice Fujinomiya has been hanging out with me since a couple days ago.
Yawwwn... What a great night's sleep.
Huh?
Why's there another me?
WAH!
Oh, 'morning, Koji.

Vol. 4: I Want You Inside Me ♥

...What the?
Hehehe, being in a physical body just brings back a lot of memories so I thought I--
My body isn't a toy! Give it back!
Okay, sorry, you can have it back now.
You possessed my body while I was sleeping!?
I... I, uh, can't get out.
Uh, well...
Um... Something wrong?
...Oh my.
WHAT !?

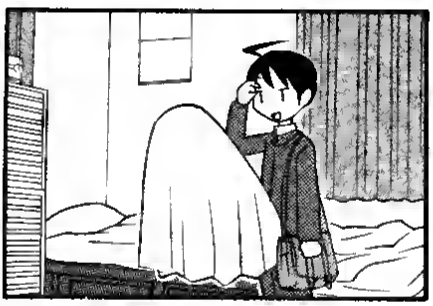
Sorry. I didn't think this would happen...
W... Well, what-ever.
This is quite a bad position to be stuck in.
Uh, but still
I'm sure Marcia Hashimoto will know how to fix this, so we'll just have to ask her at school today!
Oh, I know!
You're right! We can't let anyone see us like this...!
Other people can see me, right? Won't this look strange?

This oughta do the trick.
Whew.



If we cover me in a blanket no one will see me.
Of course !!
バサッ

This looks weird too, but for a completely different reason...!
I'll just try to ignore everyone who stares on the way to school!!



Miyahara!? What happened to you!?
Urrh... I can't see anything!
ガバッ
Help me, Hashimoto!!

but I should have figured it'd be something like this.
I wasn't sure what to think when I got your phone call.

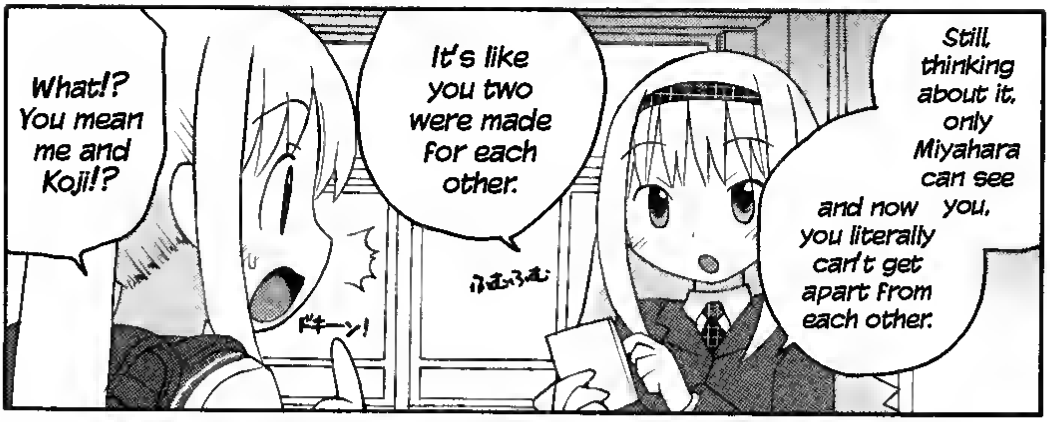
Good. I'm glad you came to me.
Hashimoto, I don't know who else to turn to... Please help us!!
I don't think anyone will see us here.
Hmm. I see.
ズバーン!
I know everything there is to know about ghosts!!



What!? You mean me and Koji!?
It's like you two were made for each other.
Still thinking about it, only Miyahara can see you, and now you literally can't get apart from each other.

Somehow my mind isn't any more at ease.
I have something here that I think should help...
Ouch!

But this shouldn't be a problem! I can fix it!

These are special gloves I got from my dad.
With these on, I can touch ghosts directly.

GHOST GLOVES!
Here they are.

Wow, they really work.
And the rest should be a piece of cake.
I just have to pull you out.
Hahh, hahh. This is more challenging than I thought it'd be.
All right, let's go. Hrrgh!!
...Sigh. If Hashimoto can't help us then we're doomed...
Ahh! Don't talk like that. I can do it!!
I guess it was all talk.
I just have to pull harder!
Ow!
POP!
WAH!

ドテン
OUCH.
Did it work? Is she out?
Uh, nope.
.....
ペロ～ン
... Hey! Wait ...!

He didn't come to class so I gave him a call to check up on him.
...Stupid Koji.
イライラッ
You're not wearing underwear!?
I-I still haven't been able to picture the underwear in my head...!
ﾊｯ
Wahh, how embarrassing!
Is it coming from that classroom?
Doo doo doo doo doooo ♫ Doooo ♪
...What the? I hear his ringtone...
but all he said is that he definitely can't come to class! I guess I'll call him again.
D... Do you really think that'll work!?
I just need a running start!!!
ﾊﾟﾀﾂ
ﾊﾟﾀﾝ
I think we just need more power.
Don't worry, you two. It's not over yet.

I'll start from back here.
YAHR RGH!
Is Koji in here?
Uh?
WAHH! WHAT JUST HAP-PENED !?
Whoa, Suwami !?
I think I pushed your spirit out of your body with my gloves!
.....
I can't move!!
Whoa, what's going on!?
Wahh, I'm falling!!

Hahaha, don't worry about it, Alice.
But it made me glad that Marcia thinks we were made for each other.
This is all my fault. I'm sorry, Koji.
And hey, close your eyes, you jerk!!!
I was so worried about you... Why does this kind of stuff always happen!?
This isn't all that bad.
No, we don't have time...
Hey, it's not like you have any ideas!
We have time though, so let's just take it slow and figure something out...
Hmmm, but if Suwami's stuck in you too, then does that mean you two are fated to be together too!?
Of course it does. I'm his master and he's my pet. But let's just worry about getting apart for now!!

What!? You do!? Number one or number two!?
Hey, that's not something you ask a girl! But it's number one of course!!
I have to go to the bathroom pretty bad.
I... I mean...
No. I don't want that to happen!
Stop being stupid and do something already!!
Ghosts pee too, huh?
Whew. If it's just number one then I can take it.
According to this note my dad left me. If a ghost gets stuck like this you just have to ease the tension in the part that's stuck.
So basically I just need to massage you.
Just do it fast!
I think I've figured it out!!

I will.
I'll take care of every-thing.
...Er.
Eep.
Just stay still.
Rub, rub
MGFHA HAHA!
It seems more like you're tickling her.
Your clothes are in the way, so let's take them off.
Huh?

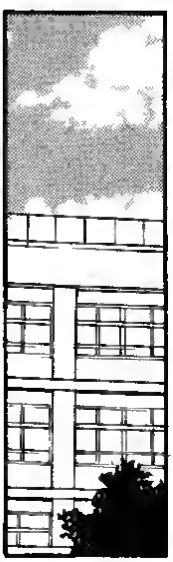
Hu haha ha!!!
Ohh, I think she's coming out a little bit.
Just a little more...!
You think so? It's working? All right, I'll do it harder then!
No!
I'm tickl-ish...!
MMF. HAHA!

N...
NO, PLEASE!
HAH NGH!

I kinda wish I could have gotten a better view, but thanks, Hashimoto.
I'm glad I didn't have an accident.
Naw, it was nothin'!



Now, pull her out!!!
Ah.
She's out!

Wahh, oh yeah!
If I'm panicking I can't picture clothes in my head...!
Being a ghost doesn't excuse you from standing around in the nude.
I'm embarrassed just looking at you!
I'm glad too.

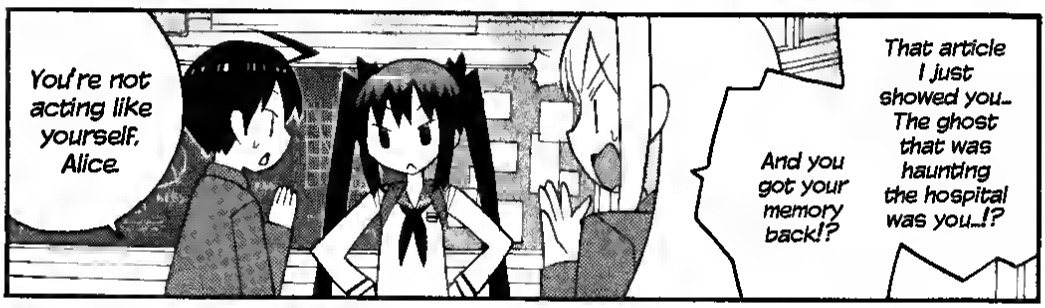
I didn't bring any explosives today...!
W... Was that an explosion!?
Cough! What just happened!?

Heh...!

HEH, HEH...
HA HA HA HA HA ...!!
Oh no, a fire! I'll put it out!
Waahh!
Cough...! Cough, cough!
Alice, is something wrong!?

What!?! So wait.
I've finally remembered my true form.
I must offer you my thanks, Marcia.
ズバッ

Wha?
Shut up! Get away from me!
プイッ



You're not acting like yourself, Alice.
And you got your memory back!?
That article I just showed you... The ghost that was haunting the hospital was you...!?

Alice is a completely different person now! Even her hair color changed.
But why!?
はっ

Wah cha cha cha!
Haha haha, dance! Dance!!

WAHH, IT BURNS!
I told you, shut up!!

Remembering the things in that article must have transformed her into
an evil version of herself.
She's Black Alice now.
WHAT!?
So it was because of that article!?
That means Alice really is an evil spirit and wants revenge against humanity!
I'd forgotten about it until just now.
but I will have my revenge.
I will burn this city to ashes!!
Haha haha, to ashes, I say!
WAHH!

Is there any way we can get her back!?
She may have a different personality, but that clumsiness is definitely Alice.
Wahh, I burned the cord holding up the light!
We have only one course of action!
Get out of the way.
No, Hashimoto, wait.
I have to stop her before she hurts someone.
I'm only doing what must be done.
She's evil now,
so I have to exorcise her!!
WHA !?

WAHH!
...Uh... I think saying that out loud only signed your own death warrant.
I feel like after I finish this, I should retire and get married.
She's all talk.
Marcia !!
Sorry, I couldn't do it...
I guess it goes without saying,
but Evil Alice is really evil!
Heh heh heh. Who's next?
Let's get this barbeque started.
I... I'm scared! Alice, you're scaring me!!
But I have to do some-thing!
You must learn your place!

ドキン!
ALICE !!!
ばっ
Wahh!
Stay away, idiot!
Ah.. Ah..
Oho.
Am I sick!?
Hahh Hahh
Wh.. What's wrong with me? Suddenly my heart is pounding and I'm out of breath..!
What's happening!?
ドキ ドキ
ドキ ドキ

You like Miyahara, don't you?
ズバッ!

Haha ha...
Hey, Koji's MY pet!!
This part of her is the same as the regular Alice.

I get it now.
ぱっ
I do !?

I... I'm out of breath!
My chest hurts!
Oh, Alice.

Ouch.
Don't be a fool. I'm an evil spirit. How could I fall in love with...
ムニュ

Don't take me so lightly!
I'm an evil spirit!
No, it's nothing!!
What? Something wrong?
Alice, I can see every-thing!
Hahh Hahh
You need a spank-ing!!
I under-stand now.
Hahh, hahh... This is exhaust-ing...
Wahh, but it was your fault!
No, don't look!
I forgot I wasn't wearing under-wear!

Black Alice.
I think we've all had enough.
I can't imagine that you want to hurt Miyahara.
That's the real Alice we all know.
you still love Miyahara.
Even if... Even if you are evil,

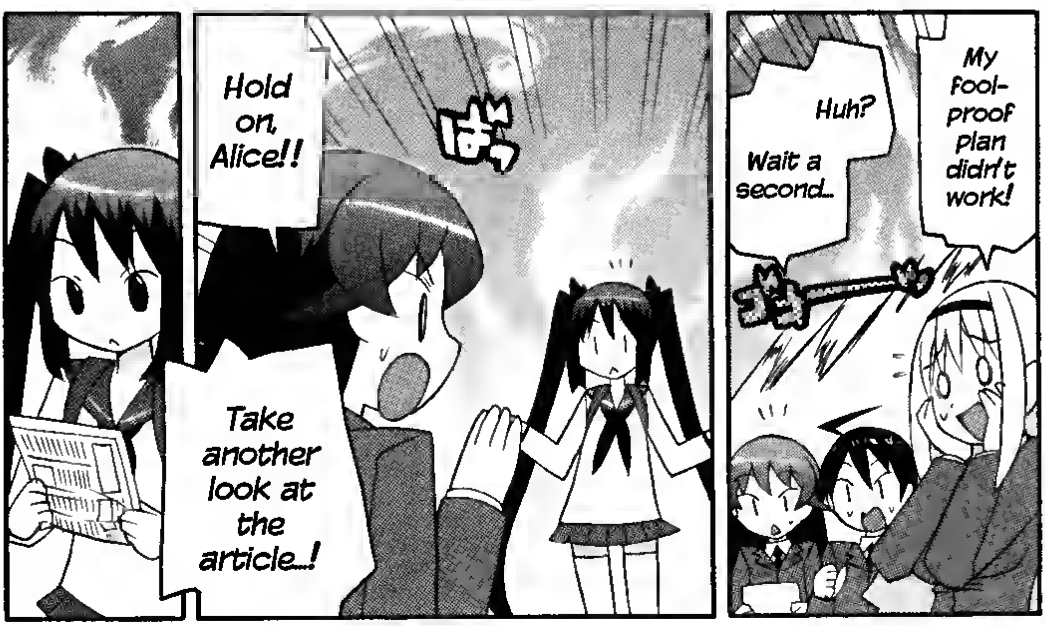
And so, it ends without a single casualty.
You understand what I'm saying, don't you, Black Alice?
Marcia...
You don't need to take revenge against humanity.
Go back to being the usual Alice and we can all go back to having fun.

Marcia is the best exorcist there ever was! She's so cool-headed and smart!!
Oh, I'm so wonder-ful!!!
Making an evil spirit understand love!

I don't want to hurt Koji.
So do you know what I'll do?
You're right.

Heh... Heh heh heh.

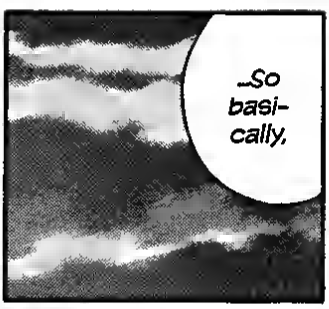
I'LL JUST BURN EVERYTHING EXCEPT KOJI! THEN HE'LL BE ALL MINE!!
WAHAHA HAHAHA! BURN TO ASHES!
EEEEK!



My foolproof plan didn't work!
Huh? Wait a second...
Hold on, Alice!!
Take another look at the article...!

The sole death resulting from the fire was Alec Fujinomiya
He was a 95 year old man...

the fire that happened 30 years ago had nothing to do with Alice. Marcia and Alice read too quickly and jumped to conclusions.
Alice convinced herself she was evil and caused all this herself...



...So basi-cally,

You mean this was all a misunder-standing !?
Alice has one powerful imagina-tion...
Nooo, my club room!

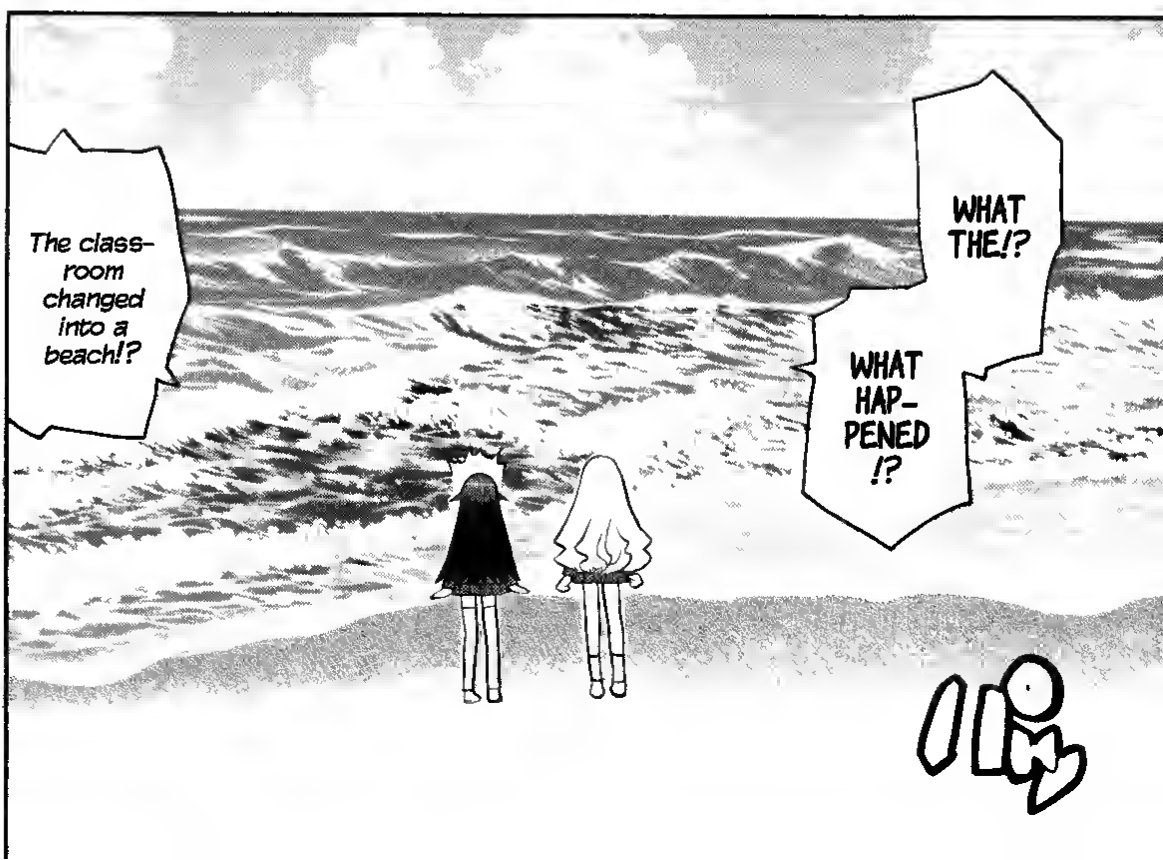
Ha... Hahaha. Looks that way, doesn't it?
...I guess.
ｽﾔｧ

Sigh...
You're not your usual cheery self, Marcia.
Yeah, well... You know how we snuck into the school a few night's ago, and then the club room caught fire?
The teachers got mad at me so I'm feeling kind of down.
...Well, those things were both your fault...
That's true. But wait.
There's something I've been meaning to try, and this is the perfect opportunity!
It won't get us in trouble again, will it?
Vol. 10: Thoughts Running Wild!

...An imagination... what?
Here it is.
It's an imagination amplifier.

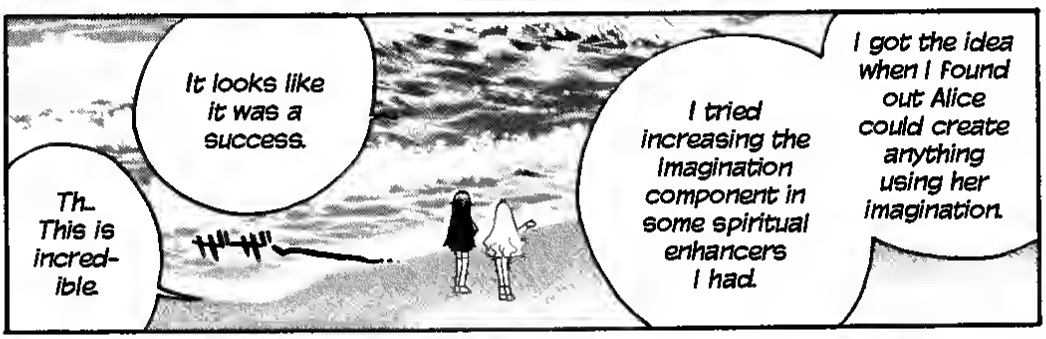
Let me show you.

Wait, Marcia, I know you're feeling down, but that doesn't mean you should resort to drugs.
To put it simply, it'll immerse you into the world of your imagination.
Let's try it at the old club room.



The classroom changed into a beach!?
WHAT THE!?
WHAT HAPPENED!?

You imagined this!?
This is your imagination!?
What do you think of the world I imagined?



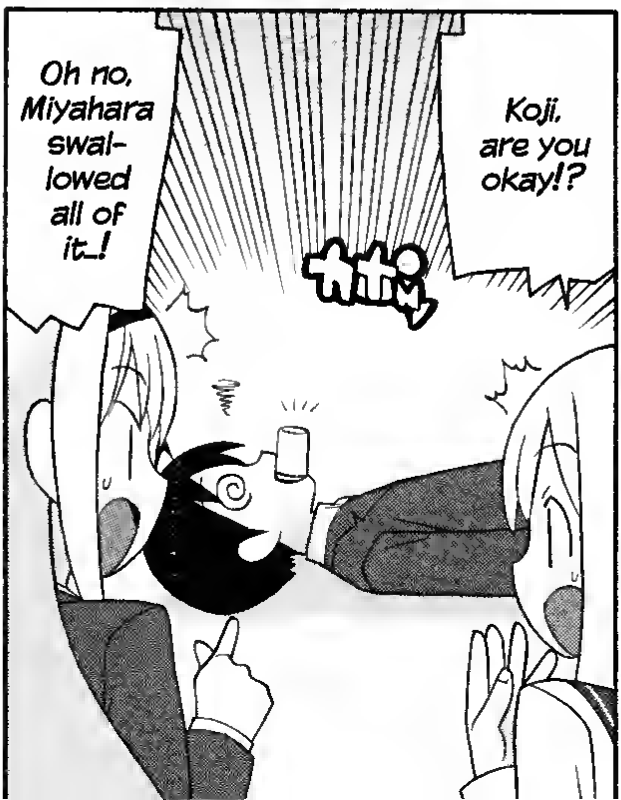
It looks like it was a success.
Th... This is incredible.
I tried increasing the imagination component in some spiritual enhancers I had.
I got the idea when I found out Alice could create anything using her imagination.

The effect lasts at most for 3 minutes, but it does make you feel better.
Do you want to try it, Suwami?
...I say "no" to drugs...
It's my imagination, so it only works within a small radius around me.
...Huh? Everything's back to normal.
It seems so real.
But this is your imagination, so we're actually still in the classroom, right?
NO NO

Oh, if it isn't Miyahara and Alice.
Hey, what's goin' on, guys!

Oh, no, Alice, you don't need any.
I didn't hear the whole story, but can I have some?

Get off of him, Alice!
We heard you two from the hallway.



Oh no, Miyahara swal-lowed all of it...!
Koji, are you okay!?

Wah, wahh!

Don't you remember the last time you let your imagination run wild?
Aww, c'mon...
Ah.

HUH?
What!?
Why_ am I wearing this?
Hey, wait
Can I ask you some-thing?
Why are you guys wearing those outfits!?

Why is my costume so dumb compared to yours...?
Well, I was wearing my school uniform before, wasn't I?
Do you really like this, Koji?
Did you imagine us with these on...?
...Imagine it? I don't know what you're talking about.
Why does that matter?
I don't think so, Marcia.
But in the end, this is just his imagination working.
We just need to get some distance from Miyahara.
Wow, it even feels real...
You're right.
And it's been 5 minutes already... This is strange.
The whole school...
has been absorbed into Miyahara's bizarre fantasy world!
This can't be...
Wh-What the!? Maybe not, then.

Miyahara took too much of the drug and his imagination is running wild.
There's no distinction between the real world and his fantasies. We've been sucked into his imagination.
WHAT !?

Oh, I get it.
This is a dream.
ピーン!

This is all your fault again, Marcia.
You always make stuff like this happen...
No! This was a freak acci-dent!

HAH!!

This is my own personal dream world...
That's why everything's exactly as I imagine it.
All right, time to go nuts!!
Oh no... Miyahara's fantasizing is getting worse.

!?
ズリッ
WAHH!
Mercy me!! Those swimsuits are absolutely shameless!!!
ズリッ
You're the one who imagined us in these!
A... Anyway.

B-But Marcia.
Why am I still wearing this...?
We need to get Miyahara back to reality, no matter what it takes...
That's the only way out of this fantasy world!!

We'll have to fight fantasy with fantasy.

I still don't understand what's going on!
You said there's no distinction between fantasy and reality, so how are we supposed to get him back to reality !?

IMAGI-NING. IMAGI-NING !!!

If we beat Miyahara, then we'll force him back to reality!!
This is the world of Miya-hara's imagina-tion.
I'll try to imagine things he doesn't want.

...Hm!
Marcia Man the Super Exorcist!
That looks so stupid!!
Dumbest outfit I ever saw!
Well, whatever, let's imagine too!!
Well, well... isn't this interesting. I'll lick anyone who dares defy my fantasies!
Hm hm hm. I'm sorry, but no, I won't be controlled by your imagination.
I must defeat you and end this nightmare world once and for all.
Now go.

Fantastic Super Marcia Punch!!!
Rest in peace!!!
N... No. Koji was prepared.
How did he dodge that!? Koji thinks everything will happen as he imagines, so he shouldn't have seen that coming!
H... He's so fast.
Too slow. You're a snail to me.
In... In that case,
I had no idea Miyahara possessed such amazing fantasizing ability.
ARE MORE EXCITING THAN ONES THAT ARE PLANNED OUT!
HE KNOWS THAT UNPREDICT-ABLE FANTASIES

...Uh, I think saying that out loud only signed your own death warrant...
I feel like after I finish this, I should settle down and open a little flower shop so I can live the rest of my days peacefully.
You two, run away and try to think of something that'll take down Miya-hara!!
I'll buy you some time.
Whew.
Slurp, slurp, slurp!
Hmfhaha! I... I can't breathe... I'm gonna die!
Wah...! Stop it, Miyahara!
H... He's so fast! I've never seen Koji move like that before!
Uh oh...! He's going for us now!!!

Urf!
JERK!
You --

Koji, are you okay!?
Did I kill him!?

Oof!
Agh!
Get back to your usual self, you stupid idiot!

How are we supposed to beat him!?
It-It didn't work. Koji's imagination is invincible...!

WHAT!?
The things my imagination comes up with are incredible... Even I'm impressed!

You are feeling evil. Veeerrry evil...
This is pretty much my last resort. Alice, keep your eyes fixated on this.
Someone uncontrollable... Someone with an imagination that could convince herself to burn down a school building.
We just need someone who can match his imagination...
...Heh...

HA HA HA HA HAH!
Hey... Koji, what are you doing...!?
No... You idiot! Get off me, Koji!
Don't... Ah...!
Slurp, slurp!
H-Hi there, Koji.

WAHH!
YOU JERK!
Thank you. Now, when I clap my hands, you will be back to normal.
What? What's going on?
Good job. You beat Miyahara in his own imagination.
...Ah... It looks like we're back in the real world.
WE HAVE TO RUN!!
EVERYONE, GET OUT OF HERE!!!
But look at this! I'm gonna get in even more trouble than before...!
...Well, that's all fine and good.

Special Chapter

The Lovely Alice's Occult Cooking

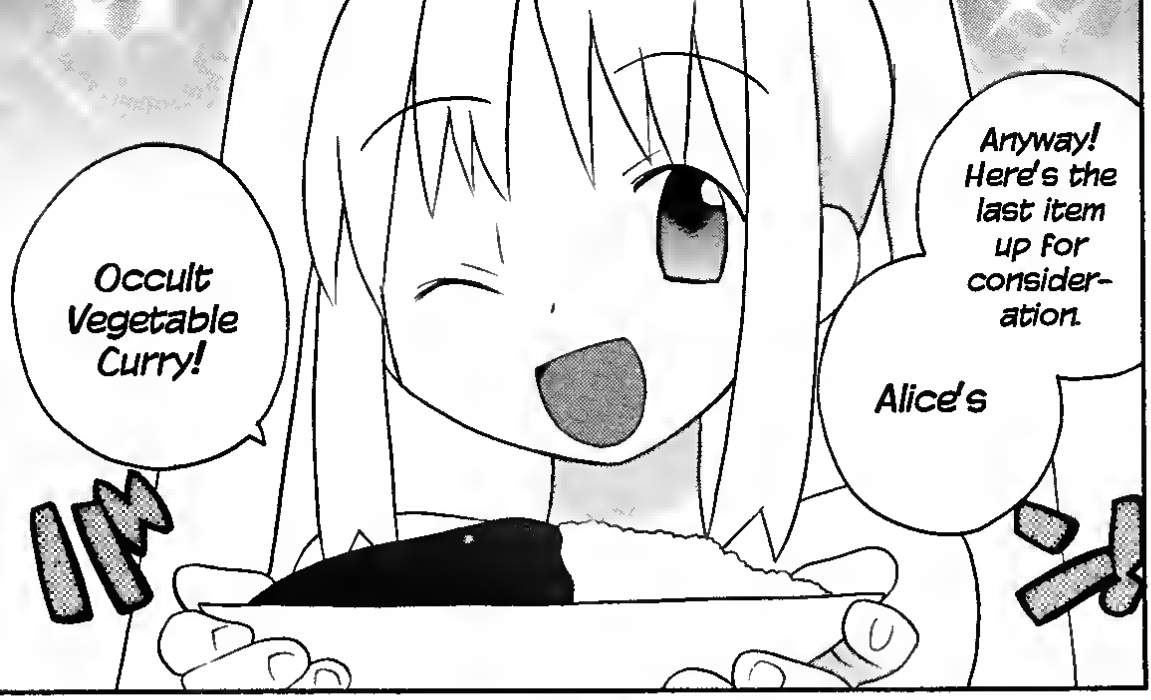
So, Miyahara, you'll be helping us decide what goes on the menu at our cafe.
The reason is that the Occult Club's application for an exhibit at the culture festival has been approved.
You may be wondering why I've gathered everyone here.

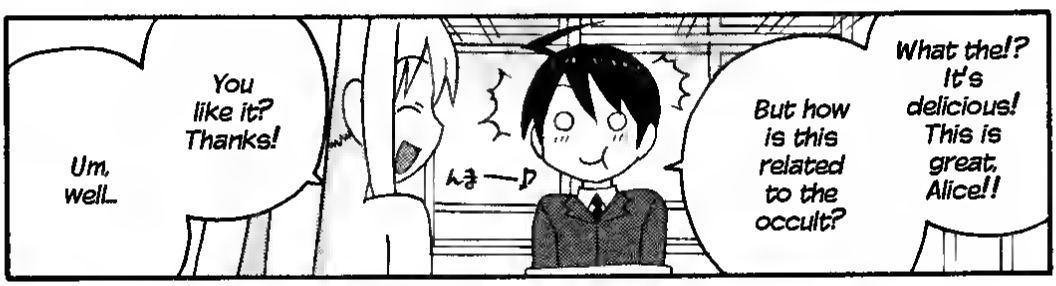
I love naked aprons, but is something wrong, guys!? You're not embarrassed or anything!?
Are you drunk!?
Why would we be embarrassed?

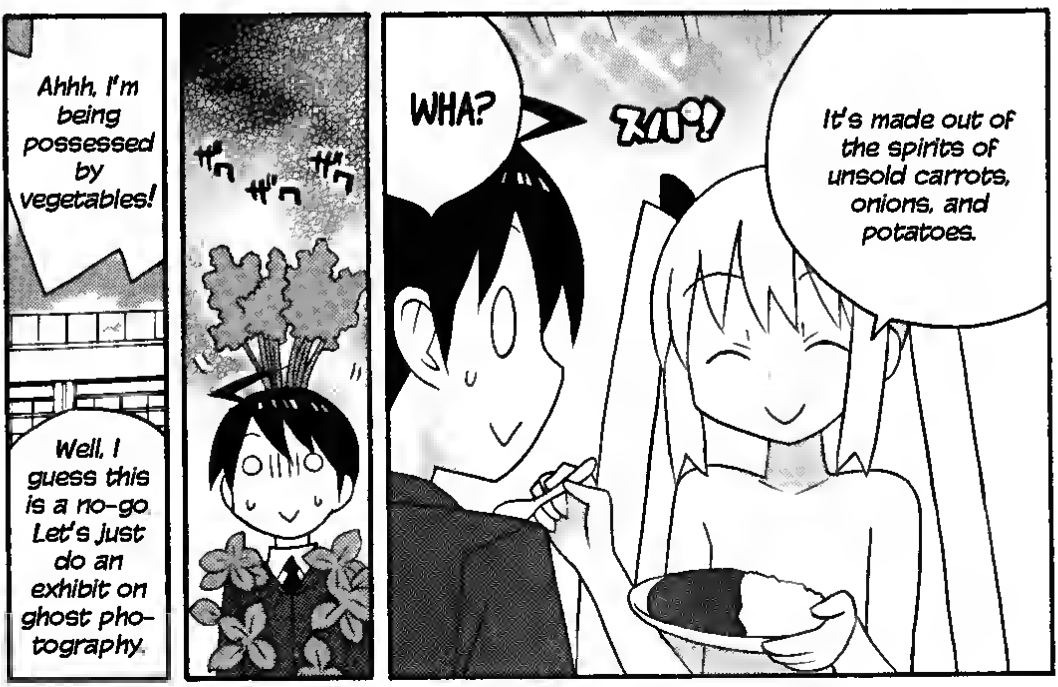
We ate some mushrooms we picked outside and now we all feel great!
Something's wrong with your eyes!
You don't look like you feel great to me!
And hey, why did you tie me up!?
So that you can't get away, of course.
All right, entry number 1.
Reina Suwami's "Lake of Blood From Hell" soup.
I made this one, myawr!
Oh, I get it. They're all things related to the occult.
Wait, Suwami, are you feeling okay!?
I'm not sure where I should be looking
I like spicy food so it might be a little spicy.
Y'know, that doesn't look bad.
But if you don't pick mine then I'm gonna cry, myaww!
This isn't like you at all, Suwami!

Well, it can't hurt to try it...
Nnn
Ahhgh
Koji, are you okay!?
W... Water...
I'm glad I didn't try it...
Next is entry number 2.
Marcia Hashimoto's "Ghostly Ectoplasm" pudding!
Nom
You're gonna get a harsh punishment from Mrs. Hashimoto if you don't choose her, Miyahara!
M... Mrs. Hashi-moto!? You're not a teacher!
I think I get where you were going with this dish, but it looks kind of weird so I'm not sure we should be serving this.
I appre-ciate your input.

Ahhh...
Well, whatever then.
It may look weird, but as long as it tastes okay...
But to tell the truth, I just don't know how to make food look good.
Ah!
At last, we come to the final entry!
Let's do something else!! Anything but food
Please, no more!
Alice Fujino-miya's!
You're not even wearing your apron anymore !!
We're naked too!
Have I died and gone to heaven !?







It's made out of the spirits of unsold carrots, onions, and potatoes.
WHA?
Ahhh, I'm being possessed by vegetables!
Well, I guess this is a no-go. Let's just do an exhibit on ghost pho-tography.
